1. Clean chicken legs, then pad away excess water, coat both sides with some salt, Shaoxing wine and pepper.
2. Roll the chicken legs, then wrap with plastic wrap, twisting either end like wrapped candy.
3. Put wrapped chicken in a pot to steam for 20 minutes or until cooked.
4. Take out the chicken and let it cool, and by now the chicken should have taken the round shape, so you can discard the clear wrap.
5. Place the cooked rolled up chicken in drunken chicken sauce, leave it in the fridge for at least 6 hours.
6. Allow chicken to soak in all the sauce. Slice then pour some sauce over the chicken, then serve.
